

V 300

DESCRIPTION /

Filing cabinets meant to classify clearly and to keep all sorts of maps. These filing cabinets allow the keeping of the documents hung on two telescopic steels by means of suspension and register strips joined to each map. The filing cabinets are also provided with an anti-roll bar.

MATERIALS /

Veneer wood (1 mm and 1'5 mm thick). Chrome iron, stainless steel (inside the strips)

COLOURS /

White (RAL 9016) / Grey (RAL 7032)

DIMENSIONS /

Size A0 and A1

It can hold about 800 maps
