Authorized distributor:

The image solution !!

Cooperation with renowned sector professionals and extended experience are the best guarantee for the quality of our products. Small details such as display cases, corner modules, image screens and retractable skirting boards are to be the distinguishing feature in your premises. The closest MOBILTAC distributor and our technical experts are at your service to give advice both on restoration and the development of a new project.

MOBILTAC enjoys a 45-year experience exclusively devoted to the manufacturing of shelves for commercial equipment. Throughout this time, our equipment for fruit shops has experienced a required **EVOLUTION**, resulting from a proper application of:

1. Innovative formulas in commercial equipment, obtained through a detailed survey customized to the needs of each client, achieving different ways of presenting the product, ergonomics and functionality.
2. Better value for money. In **MOBILTAC** all our products comply with ISO standards on design and manufacturing, proving the capacities of our team in carrying out any project whatsoever. A wide range of standard models and its adaptability enable us to conduct a personalized and customized survey.
