EXPERIENCE MORE TOGETHER

## 300NK STRESS-FREE

Start your street riding passion here. Ride stress-free and relaxed through the streets with the 300NK and chase the rhythm of your heart!

Inheriting the NK family genes, it's sporty, maneuverable and easy to handle. What you get is a bike that's easy to put your feet down at a stoplight and a blast to ride the moment it turns green, all at a price that you will approve.

### 1 TIRES

Customized radial tires (Front: 110/70 R17, Rear: 140/60 R17) features high performance grip. Get ready for the fast and sharp control in every bend.

### 2 HANDGRIP BUTTON

Convenient and fit-to-hand button design is a great benefit to your safe ride. With thoughtful backlight design, it can provide better stability at night.

### 4 LIGHTWEIGHT DESIGN

The frame utilizes ultra-light, high-strength alloy steel material to provide great torsion resistance.

### 6 ALL-COLOR TFT DISPLAY

Rain mode and Sport mode can be effectively switched over automatically according to the changes of light intensity.

### 3 EFI

This latest Bosch EFI system atomizes the fuel through a small nozzle under high pressure, ensuring better engine fuel efficiency and lower emissions.

### 5 BRAKE SYSTEM

Industry-leading ABS system serves as a good support during hard braking to prevent wheel locking or sideslipping.

### 7 LED LIGHTS

The tail light, turning lights and parking lights feature clearer indicating effects.

## OUTSTANDING DESIGN DNA

The exquisitely-engineered sporty 300NK inherits the outstanding design DNA of CFMOTO naked bike family.

## 292CC ENGINE

Advanced, highly compact, liquid-cooled, four-stroke, four-valve, DOHC, single cylinder 292cc engine with a crankshaft-driven balancer shaft delivers responsive and stable performance.

A maximum horsepower of 28 hp is delivered at 8800rpm with 20.5kw/8800/rpm max power and a maximum torque of 25N.m/7200r/rpm. It is sure to give you unprecedented thrilling riding experience with a total weight of 151kg. From 0 to 200m only takes 9.3seconds and 11.4 s is enough to take you further.
