

## Reflex<sup>®</sup> N

Reflex<sup>®</sup> N from Polyco is a seamless knitted polycotton liner with a nitrile palm coating that provides excellent grip and abrasion resistance. Extremely durable, this glove offers outstanding abrasion resistance. The flexible nitrile palm coating ensures safe handling in both wet and dry environments and offers good protection from oils. It is anatomically shaped, which combined with the breathable seamless liner and elasticated knit wrist makes it very comfortable, allowing for extended use. Reflex<sup>®</sup> N is an ideal general use glove for safe and secure handling.

### Typically used for:

- Component Handling
