CIRCULAR NOTE

The Ministry of Foreign Affairs of the Republic of Slovenia presents its compliments to the diplomatic missions, international organisations and missions of international organisations in the Republic of Slovenia, and has the honour to communicate that the Minister of Health of the Republic of Slovenia issued a Decree amending and supplementing the Decree imposing conditions for entry into the Republic of Slovenia from the Italian Republic to prevent an infectious disease from spreading (Official Gazette of the Republic of Slovenia, No. 20/2020 of 12 March 2020). The Decree entered into force on 12 March 2020 at 22.00.

The Ministry of Foreign Affairs has the honour to communicate that, according to the amended Decree, rail passenger transport and international temporary and regular bus services between Italy and Slovenia are currently suspended. The amended provisions on freight transport stipulate that freight transport from Italy to Slovenia is suspended, except transport of mail, medicines, protective and medical equipment, and humanitarian aid.

The Ministry of Foreign Affairs of the Republic of Slovenia has the honour to communicate that the provisions of the Decree do not apply to freight vehicles with the final destination in Slovenia.

The Ministry of Foreign Affairs of the Republic of Slovenia avails itself of this opportunity to renew to the diplomatic missions, international organisations and missions of international organisations in the Republic of Slovenia the assurances of its highest consideration.
